FEEDBACK ANALYSIS

(A.Y. 2022 – 2023)

We value students opinions and work continuously to improve the quality of education. To make sure that the college shall meet the students expectations and provide them best learning experience, we regularly collect feedback from students about their teachers. The college conducted an offline survey to collect students feedback about the teaching faculty, principal and college infrastructure. We received responses from F.Y. B.Com, S.Y. B.Com and T.Y. B.Com students.

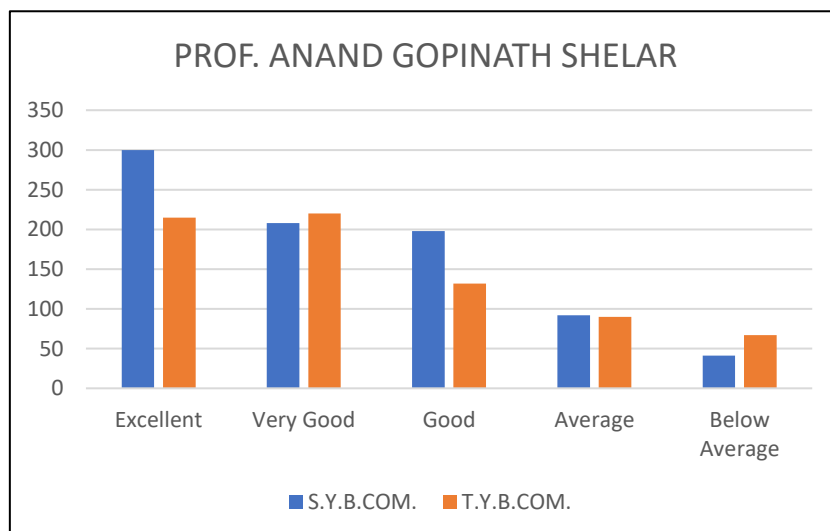

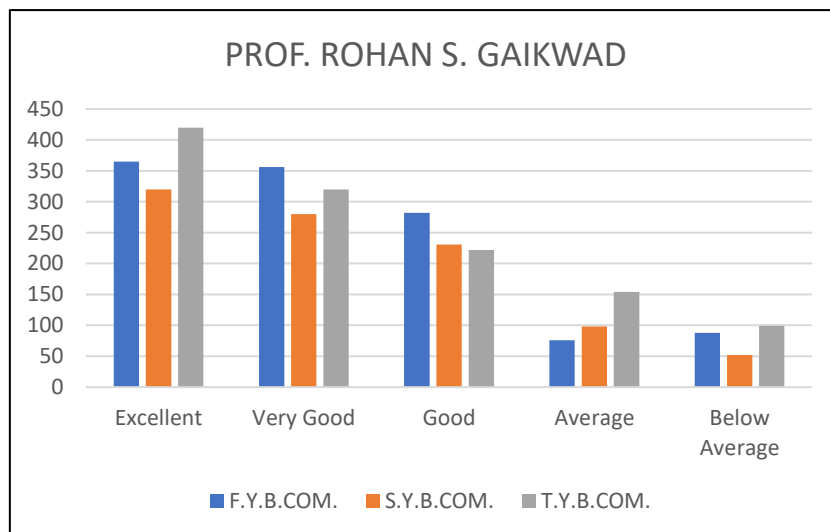

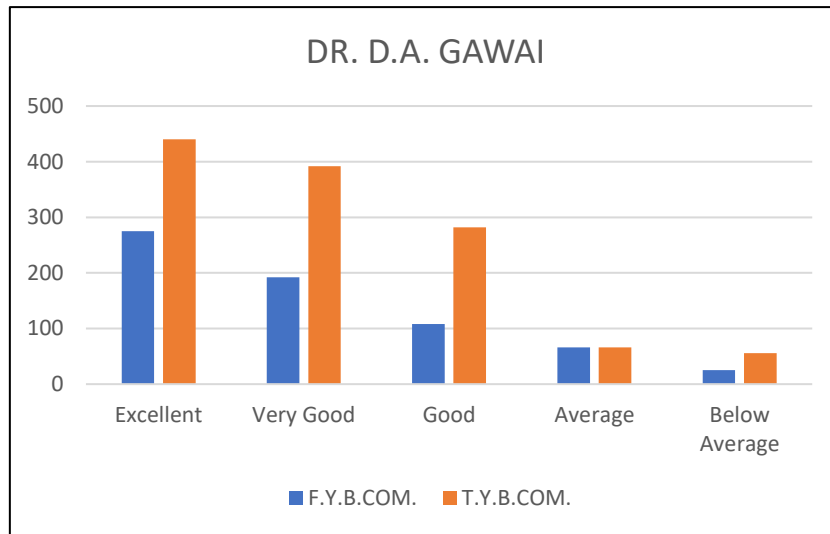

The feedback collected covered various aspects of teaching, learning, teaching methods and pedagogy, communication, assessment, extra-curricular activities like NCC, NSS and overall satisfaction with the faculty and college infrastructure. Following are graphs representing overall findings on a five point Likert scale (5 – Excellent, 4 – Very Good, 3 – Good, 2 – Average, 1 – Below Average).

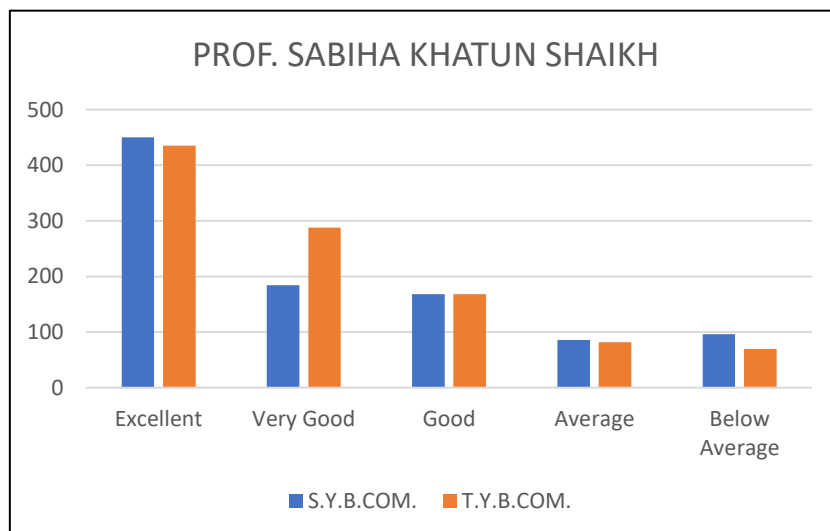

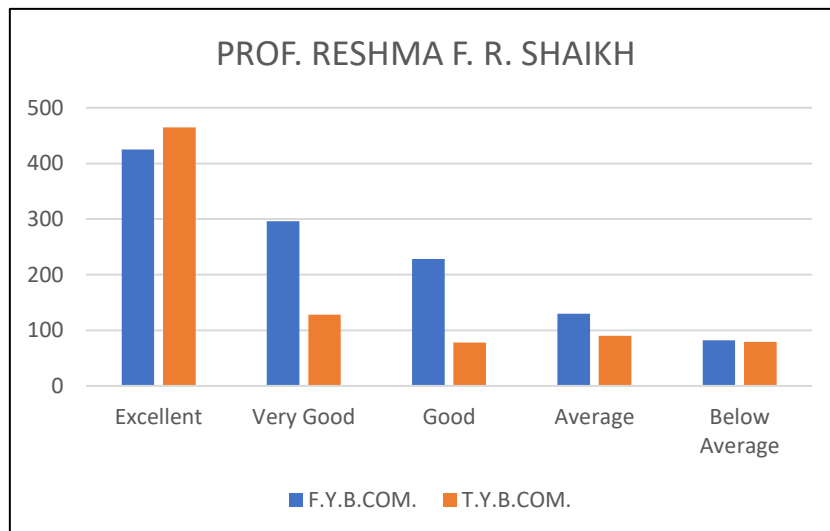

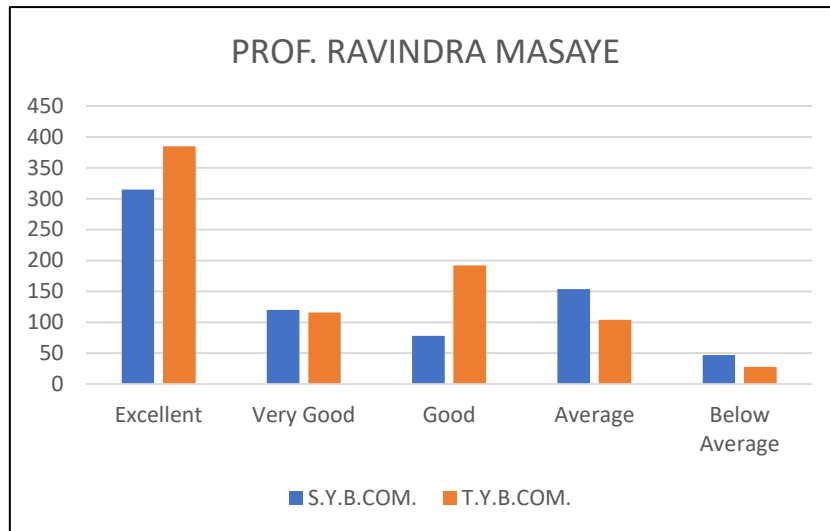

In the following figures, X axis represents the **Scale** i.e., Excellent, Very Good, Good, Average and Below Average. Whereas, Y axis represents the **Total Score**. Total Score of Excellent = 5 X Number of Responses, Total Score of Very Good = 4 X Number of Responses, Total Score of Good = 3 X Number of Responses, Total Score of Average = 2 X Number of Responses and Total Score of Below Average = 1 X Number of Responses. A proforma of Feedback Form is provided in Annexure.
